# The Kaba Media door

Novel. Surprising. A promotional asset.

# Use the automatic Kaba Media door as an optimal advertising platform, directly at the strategically important Point of Entrance.

## Systematic advertising effect

The Media Door multiplies the advertising impact.  
Upgrade your entrance into an event.  
Convey your advertising slogans to your customers.  
Promote your products, special offers, events.

## Product

Automatic sliding door system SLX / PSX Media,  
protection glass, connection jamb with control panel,  
built-in flat screen, MPEG player + CF card,  
screen size 17" (4:3), power pack, cabled connections,  
contrast-enhancing dull-black design.

## Configuration

Up to 3 screens can be integrated per side panel.

## Presentation

The built-in video player plays freeze images or video sequences.

The data are transmitted via USB interface.

As an alternative, the screen offers ports for connecting a DVD player or computer.

## Service performances

Together with you, we analyse the structural situation and requirements. Kaba Gilgen assists you during the planning and implementation phases of the Media door.
